

3HC is pleased to offer opportunities for you to honor your loved one through the dedication of a stepping-stone on the Walk of Life or butterfly on the Wings of Life.

The Walk of Life is a beautiful walkway that consists of a water fountain and a bench with floral landscaping and shrubbery- a place where patients and family can come to reflect and share stories, thoughts, and feelings. Each stone will be a permanent legacy on the Walk of Life, commemorating a special bond you hold with those near and dear to your heart. The stones are engraved for a minimal donation of \$250 per stone.

The Wings of Life is the hallway linking the Acute wing and the Residential wing in the Center, consisting of beautifully hand-made, ceramic butterflies. Each butterfly will be a permanent legacy on the Wings of Life and will include the name of the individual being remembered, or honored, for a minimal donation of \$1,000 per butterfly.

For more information, please contact 3HC's Community Development Director at (919) 735-1387, ext. 1072 or email [info@3hc.org](mailto:info@3hc.org).

## DEDICATION CEREMONIES

Quarterly, 3HC hosts Dedication Ceremonies for the Walk of Life and Wings of Life. Donors, along with their family, will be invited to attend a ceremony commemorating their loved one. Invitations will be mailed in advance. Ceremonies are held in January, April, July and October of each year.

We encourage you, and your family to come for the dedication of your stepping-stone or butterfly, as well as to fellowship with other families and the staff of 3HC and Kitty Askins Hospice Center. Refreshments will be served.
