3HC is a private, non-profit home health and hospice agency. Over the last four decades, care at 3HC has grown from serving patients in Wayne County, with a staff of two, to serving patients from the Triangle to the coast, with a staff of 500+. As a community-oriented organization, our mission is to provide the right care, at the right place, at the right time throughout life's journey.

We invite you to be part of Above & Beyond: 3HC's Initiative for Comfort, Care & Compassion, a \$3 million effort to support and expand the family-centered programs of 3HC, as well as launching new, innovative programs for patients, families and our communities, and to support Kitty Askins Hospice Center.
