

Why Create a Lasting Legacy?

You Want 3HC To Be Here For Generations To Come

Your gift- through bequest, charitable gift annuity, life insurance, real estate, stocks or another type of gift- will create a lasting legacy, enabling 3HC to continue the mission of providing quality care.

You Want to Make A Gift Reflecting Your Lifelong Values & Aspirations

A carefully planned gift has the power of creating a legacy, making a remarkable difference by touching the lives of future 3HC patients and their families.

You Want To Make That Allows You To Plan For The Future.

Charitable gifts to 3HC can provide current income benefits and significantly reduce estate taxes. Other tax advantages may also apply.

3HC is a private, non-profit home health and hospice agency. Over the last four decades, care at 3HC has grown from serving patients in Wayne County, with a staff of two, to serving patients from the Triangle to the coast, with a staff of almost 500. As a community-oriented organization, our mission is to provide the right care, at the right place, at the right time throughout life's journey.
